2015 Spokane Veterans' Mental Health Summit

Friday, September 18, 2015, 8:00-4:30
WSU Riverpoint Campus

*The 3rd Annual Spokane Veterans Mental Health Summit will allow VA and community partners to come together, network, exchange information, and share perspectives. Together we will develop a collaborative vision and strategy for enhancing mental health services to Spokane-area Veterans and their families. There is **NO COST** to attend. This year's summit will include new information on the Veterans Choice Program, caregiver support initiatives, and other opportunities:*

Topics will include:

- Veterans Access, Choice and Accountability Act of 2014
- Community Resources for Families and Caregivers of Veterans
- Why Every Patient Should Be Asked About Military History
- Veteran Employment and Peer Support Programs
- Support for Native American Veterans
- Mental Health Support for Women Veterans
- The Community's Experience with the National Resource Directory
- Substance Use Disorder Treatment Options for Veterans

– Resource Fair for Community Providers and Veteran Advocates –
